

Bury Your Dead, Cammo Is My Favorite Color

So this is it, my time to live.

I can't sit around and let my life pass by.

Take a chance, this may be your last shot

and don't think about your wasted past.

Let's make something of this time while we still can.

Let's show these kids how we do this.

So tonight, let's go out and show these kids how we do this.

Put on your dancing shoes, it's time to rock.

IT'S FUCKING TIME TO ROCK BABY!

Put on your dancing shoes, it's time to rock.
