

# Bush, Comedown

Love and hate, get it wrong  
She cut me right back down to size  
Sleep the day, let it fade  
Who was there to take your place  
No one knows, never will  
Mostly me, but mostly you  
What do you say, do you do  
When it all comes down

Cause I don't want to come back down from this cloud  
It's taken me all this time to find out what I need again  
I don't want to come back down from this cloud  
It's taken me all this, all this time

There is no blame, only shame  
When you beg, you just complain  
The more I come, the more I try  
All police are paranoid  
So am I, so's the future  
So are you, be a creature  
What do you say, do you do  
When it all comes down

Cause I don't want to come back down from this cloud  
It's taken me all this time to find out what I need  
Yeah, yeah, yeah  
I don't want to come back down from this cloud  
It's taken me all this, all this time

Shoot up, shoot up  
Shoot up, you're high

Love and hate, get it wrong  
She cut me right back down to size  
Sleep the day, let it fade  
Who was there to take your place  
No one knows, never will  
Mostly me but mostly you  
What do you say, do ya do  
When it all comes down

Cause I don't want to come back down from this cloud  
It's taken me all this time to find out what I need  
Yeah, yeah, yeah  
I don't want to come back down from this cloud  
It's taken me all this, all this time

Why did you, why did you, why did you, why did you  
Why did you, why did you, why did you, why did you  
Why did you

Come down  
I don't want to come back down from this cloud  
This cloud, this cloud, this cloud, this cloud  
This cloud, this cloud, this cloud, this cloud
