

Bush, English Fire

World news, world news, world news
Well you said let's be free
Well you said I'll be me
Death row hearts are hard to mend
Why shoot myself for your sins

All my love, all my love
All my love, all my love

Well you said retribute
Well you said substitute
Burn myself on your bed
Your crown of thorns, my crown of lead
I'll wake up before I drown
I'll wake up before I drown

All my love, all my love
All my love, all my love
All my love, all my love
All my love, all my love

We'll hang ourselves on english fire
We'll hang ourselves

All my love, all my love
All my love, all my love
All my love, all my love
All my love, all my love

I'll wake up before I drown

All my love, all my love
All my love, let's be free
