

Bush, Suspicious Minds

we're caught in a trap - i can't walk out
because i love you too much baby
why can't you see - what you're doing to me
when i can't believe a word you're saying
we can't go on together with suspicious minds

and we can't build our dreams on suspicious minds

we're caught in a trap - i can't walk out
because i love you too much baby
