

Bush, THE ONLY WAY OUT

Follow me down to the water
through the tripwires in your head
through the seven layers
of your holy bed

Where there is no warm guard
by the city of systems

I wanna be your savior

I wanna be your seasonals

The only way out is through

lost my mind over you

the only way out is through

lost my mind over you

Follow me down to the freeway

where the beat goes on

and a heatwave lost the night

Say what you will but we pray

to the gods of our own demise

all the time

The only way out is through

lost my mind over you

the only way out is through

lost my mind over you

Lets build a bonfire tonight

we'll stay warm in the night time

warm in the night time

Follow me down to the water

through the tripwires in your head

through the seven layers

of your holy bed

Oh oh oh oh

oh oh oh oh

oh oh oh oh

The only way out is through

lost my mind over you

the only way out is through

lost my mind over you

the only way out

the only way out

the only way out is through

lost my mind over you
