

# Bust A Groove, Happy Heart In The Sunshine (Shorty's Song)

Ooh I missed you insanely everyday,  
Deep in my heart I'm longing for your love.  
I need to feel the warmth of you.  
Wanna be in your sunshine,  
Shine on me with your love.

Soft breeze is tickling me,  
I can't stand being alone anymore.  
I can't stay in this little town,  
I've got to get outta this place.  
To me, your a signal of love.  
Your shining on me,  
I wanna feel your love.  
Yes, by rambling on I'm gonna get it,  
I know who you should be,  
Someone who truly loves me.

Come remember with me,  
A brand new day that you never knew.  
I'd sure be the first one,  
The very first one, I can.

Soft breeze is tickling me,  
I can't stand being alone anymore.  
I can't stay in this little town,  
I've got to get outta this place.

Ooh I missed you insanely everyday,  
And in my heart I'm longing for your love.  
I need to feel the warmth of you,  
Wanna be in the sunshine,  
Shine on me with your love.

To me, your a signal of love,  
Your shining on me,  
I wanna feel your love.  
Yes, by rambling on I'm gonna get it.  
I know who you should be,  
Someone who truly loves me.

I am searching everyday...  
I am searching everyday...  
I am searching everyday...
