

Busta Rhymes, Bus-A-Bus Remix

[Busta Rhymes]

Uhh, uhh, uhh-uhh, ahh

ahh, ahh, ahh-ahh

Do the Bus-a-Bus

Yea, yea

Do the Bus-a-Bus

Do the Bus-a-Bus

Do the Bus-a-Bus, ahh, ahh-ahh

Ahh..

What niggaz? We on now, bring in the song now
Brand new for niggaz like a baby was born now
A lot of corny niggaz y'all been yappin too long now
Come inside the spot and all them niggaz is gone now
Come on now! Probably work in somebody store now
Singin my song now, while you moppin the floor now
We hit and run shit, I hope you know this is war now
Bus' big balls quickly settle the score now
From all the hot shit I got the spot feelin warm now
You leather suit niggaz should be rockin velor now
Only the live niggaz really belong now
Used to be rich niggaz walk around poor now
MY NIGGAZ! We doin it like never before now
Stack cheddar, headlinin national tours now
Flipmode Squad of niggaz keepin it raw now
Bounce while I take y'all niggaz straight to the core now

Chorus: Busta Rhymes (repeat 2X)

I know just really what you want
(all right) come and do the bus-a-bus
(all right) come and do the bus-a-bus
(all right) let me see y'all do the bus-a-bus

[Busta Rhymes]

(all right) -- Hah, jump back in the shit now

Push the S-5 with the big body kit now

But never stop you know it's only hit after hit now

Gotta spend chips if you want me to spit now

A lot of other niggaz really need to just quit now

Cause they don't realize how much they look like a dick now

Quick now, y'all niggaz just be makin me sick now

Worthless ass niggaz only throwin up bricks now

Hoe faggot nigga wanna come around takin my flicks now

I only do them things with my Flipmode click now

We used to be illegal, but you know we legit now

I never leave the crib without my glock and my clip now

Fuckin with these wild chicks, having a fit now

Model bitches be trying to get all in my whip now

Ready to flip now, bitches ready to strip now

Roll the whip through the traffic and doin the dip now

Get a grip nigga and just hope you don't slip now

Flipmode niggaz comin fully equipped now

Cheers to all of my niggaz takin a sip now

The Bus-a-Bus take y'all niggaz all on a trip now

There is a couple things that we can really explore now

Show love, or we can put your face in the floor now

Flipmode Squad of niggaz keepin it raw now

Bounce while I take y'all niggaz straight to the core now

Chorus 2X

(all right)

* Busta ad libs to fade *
