

# Busta Rhymes, Intro When Disaster Strikes

[Lord have Mercy]

As we approach the current time frame of 1997. With approximately two and a half years before the year two thousand. Repeatedly it has been reported that there will be a time soon approaching. That major disaster will be striking, all levels of existence. It has also been reported that this disastrous thing will be approaching in the form of many, many as in squad, squad as in Flipmode squad. It has also been reported that everyone out of the many will strike, but this particular muthafucker will strike with an unmeasurable blast and fuck up everything within his 360o radius. Warning. Prepare yourselves. Store your food, stamp your paper, because when this muthafucker gets here, it's about to get real fucked for everyone and everything, everywhere!!!!

[Dolomite]

Well, Busta Rhymes. Come over here and let me talk to you son. See know. Dolomite just got back from some shit that you about to be it. Well are you prepared, I hope you are prepared nigga, cause you know this is album number two. Yes more bitches than before. There'll be more bitches, more and more and more. More thirsty niggas. Time to get inside your shit. Time to throw your whole chemistry off. Oh yes, there's gonna be a lot more money. Yes a lot more money than before. So son don't you worry about none of that shit. All you gotta do is just slap your dick in the mouth of these bitches that don't wanna act right, and put a hot one in any muthafucker that wants to get in the way of this powerful shit right here. Ok son, all right Busta enough of this shit talkin. Lets be on our way. Cause when disaster strikes there's gonna be a whole lot of muthafuckers pourin in. All right baby, lets go.

[Spliff Star]

Yo, yo, yo, yo, yo, yo. Ladies and Gentlemen. Straight from the muthafuckin street corner. Goin out to all you muthafuckers across the globe. On the return trip. It be the niggas. The niggas that live by the code of blood honor. My Flipmode niggas, ha. Spliff bring you that shit to another extreme. Her to hit you muthafuckers with a strike of disaster. I bring on to you once again. The eight wonder of the world. My nigga Busta Rhymes. And I be that nigga, that live nigga Spliff I Spliff comin through right at you were ever the fuck you at. Flipmode is da Squad comin through right at you were ever the fuck you at.

[Busta Rhymes]

A yo cut my shit off, get it off. A heh a heh, a heh heh. Here we go again muthafuckers. A heh, lets start this shit.
