Busta Rhymes, Stand Up

Y'all really be talkin' too much Singin' and singin', and— Singin' and singin', and singin', and singin', and— Y'all got too much conversations incriminatin' yourselves We really thought you were standup While y'all all singin' and singin', and singin', and— Singin' and singin', and singin', and— Singin' and singin', and singin', and— We really thought you were standup Havin' conversations, incriminatin' yourselves While y'all all singin' and singin', and singin', and— We really thought you were standup

If you're not on my timin' You best get out my way, yeah VVS, see man shinin', yeah Rolex, I iced that face You wanna peep designer, yeah You knew I got that taste, yeah When you go buy designer, yeah, you're gonna see man's face

We celebratin', while I give it a— (Hey) Bust open bottles and live it up (Oh) Before the cameras, this a different sandwich, you step in the building and lift it up (Ayy) We kill all the snitches like fentanyl, go 'head and sniff it up (Ayy) Bitch, when the coast is clear, for all you to pull up and big it up (Big it up)

Y'all really be talkin' too much Singin' and singin', and— Singin' and singin', and singin', and singin', and— Y'all got too much conversations incriminatin' yourselves We really thought you were standup While y'all all singin' and singin', and singin', and— Singin' and singin', and singin', and— Singin' and singin', and singin', and— We really thought you were standup Havin' conversations, incriminatin' yourselves While y'all all singin' and singin', and singin', and— We really thought you were standup

Don't do snitches, don't do snakes Don't do rats, I don't do jakes All my drip real, don't do fakes Keep it real, it goes two ways Let a bad B go to waste Shiesty mask, no face, no case Nothing can ever stop my shine Then we'll pull up, I'm burn the place

You don't want to do that (Switchy) Never-ever, no

Go zoom, zoom, zoom Jump in that Ferrari, it go zoom, zoom, zoom Smokin' marijuana, I see fume, fume, fume Ladies say they love me, love the shrooms, shrooms, shrooms Always been the highest in the room, room, room My baby, she the flyest in the room, room, room She got like Louis, Prada, Dior, baby, damn, she got poom, poom, poom, yeah

Yeah, I love the way you move, ah, baby No snitchin' on me I love the way you move, ah, baby No switchin' on me I love the way you move I love to show improve I love the way you groove (Ah) No switchin' on me (Yeah) No switchin' on me (Oh, no, no, no) No switchin' on me (Uh, yeah) I love the way you move, ah, baby (Oh, no, no, no) No snitchin' on me (Shit) No switchin' on me (Shit) No snitchin' on me (Shit) No switchin' on me (Ah, yeah, yeah, yeah) I want to get lit to the club Sip some champagne, pop, pop, pop, pop Meet some gyal, then chill with the gyal Never know, you might be my one Ooh, wow, skip to the club Sip some champagne, pop, pop, pop, pop Meet some gyal, then off with the gyal Never know, she might be my one, yeah Don't stop (Hey) Don't stop (Hey) Don't stop (Hey) Don't stop (Hey) We gonna get you, get you, get you, get you We gonna get you, get you, get you, get you We gonna get you, get you, get you, get you We gonna get you, get you, get you, get you Oh, shit, oh God Oh, shit, oh God
