

Busta Rhymes, Tear da roof off

Yea, Hmmm

Alright now

Yea

After the ultimate world blast that ended all things
this is how we rebuilt shit from the underground up
Bounce nigga bounce bounce bounce nigga bounce bounce
When I come THROUGH, hit yall with the one TWO
Break yall niggas that yall niggas wont even know what to DO
Break fool, make all yall people wanna come TO
Feel the force of my shit kickin like it was Kung FU
Blast THROUGH, dont these corny niggas harass YOU
Set a tone in the streets where even the fans blast YOU
Ask YOU niggas, do yall really want the brand NEW?
Corny niggas just finish your time and over pass DU
HE HA What HO, think its way pass your CURFEW
Hit you with some shit that make doctors come have to nurse YOU
YOU YOU YOU

Im rollin with my whole CREW

Bounce threw niggas when ever we surround YOU
Flipmode role THICK, and you know we dont QUIT
Hit you with some more HITS that make yall wanna
go SHIT SHIT SHIT

YO make yall niggas jump BACK

Hit that hurry and pass the rest of the weed BLACK

Chorus(2x):

Rep my crew yo, Flipmode hit you off

YO Yall know what to do ok, TEAR DA ROOF OFF

OFF OFF OFF, TEAR DA ROOF OFF, YO

Yall know what do Im sayin TEAR DA ROOF OFF

One more time I hit yall with a crime

WHILE I be in my rhyme I hear that a drop of a dime

WILDIN all in my Tim BOOTS

Now we stackin mad LOOT

Everybody holdin and 21 gun soLUTE

Anyway any HOW, Ima give it to you NOW

You aint wildin my nigga, that is something I wont ALLOW

One Two Three Four, I be knockin at your DOOR

Hit yall niggas with an effect that yall never felt beFORE

OR leave you with someMORE freaky dicky metaPHOR

Rep for all my niggas who stay reppin the hardCORE

Slug it out, bugging out, all off my niggas THUG IT OUT

Tired of all these weak niggas now Ima RUB YOU OUT

Yo, what you talkin BOUT, make yall niggas scream and SHOUT

Yo, we bout to blast you out the spot my nigga no DOUBT

DOUBT DOUBT DOUBT

Yo you know we always stay ON

Keep wildin before you know it the entire day is GONE

Left RIGHT left, YO no ned to hold your breath

YO, better chill your body up while we beat you to death

DEATH DEATH DEATH DEATH

Blast you right threw your chest

YO you know we runnin shit and we never settle for less

YO

Chorus(4x)

Yea motherfuckers

Flipmode Squad eternally imperial, powerful, universal

Flipmode Squad, from the underground up motherfuckers

Always remember that

From the underground up

We gonna rebuild this whole shit
