

Busted, Fake

I can't believe what my girlfriend did today
She screamed so loudly then she turned away

Why did she cut me down to size?
She left me wondering
Can I do it right?

[Chorus:]

What am I gonna do now the games up?
Can't get her off that's kinda rough
She better not tell my mates today
So baby tell me now
Do I need to measure?
Cos' I'm feeling under pressure
I'm just hoping that the fear will go away
Don't wanna be a fake

I woke up in a sweat felt a disgrace
She looks so beautiful love on her face
Feeling stupid all on my own
I put it down to experience coz now I've grown

[Chorus:]

What am I gonna do now the games up?
Can't get her off that's kinda rough
She better not tell my mates today
So baby tell me now
Do I need to measure?
Cos' I'm feeling under pressure
I'm just hoping that the fear will go away
Don't wanna be a fake

Don't wanna be a fake
It's quite uncanny
Cos' my favourite film is "when Harry met Sally"
Now we're finished there's no way
We're ever gonna be ok
Don't wanna be a fake
How low can I go?
You might find me reading Cosmo
But when I'm finished
You know, that you gonna wanna be with me
Gonna wanna be with me
Gonna wanna be with me

Gotta girl on my sofa
getting undressed
I gotta know can I deliver
Cos' I'm feeling stressed

What am I gonna do is my game up?
I've got the goods is that enough?
There's almost nothing left to say
So wish me luck not gonna run
The final countdown has begun
Not gonna see or hear them laughing in my face

[Chorus:]

What am I gonna do now the games up?
Can't get her off that's kinda rough
She better not tell my mates today

So baby tell me now
Do I need to measure?
Cos' I'm feeling under pressure
I'm just hoping that the fear will go away
Don't wanna be a fake
