

# Busted, Here In Your Bedroom

Here in your bedroom,  
I can turn my head on  
The less that I feel  
Is the less that I'm on top

I wonder what you think  
As we lay here in bed  
I don't know what I'm thinking,  
But that's better for my head

When I wake up tomorrow  
Will you still feel the same?  
When I wake up tomorrow  
Will you have changed?

[Chorus]

'cuz I still feel the same  
'cuz I still feel the same  
I, 'cuz I still feel the same

Here in your bedroom  
I can turn my head off  
The less that I feel  
Is the less that I'm on top

I wonder what you think  
As we lay here in bed  
I don't know what I'm thinking,  
But that's better for my head

When I wake up tomorrow  
Will you still feel the same?  
When I wake up tomorrow  
Will you have changed?

[Chorus]

Here we go!

Here in your bedroom,  
I feel safe from the outside.  
I can tell that you're changing,  
But still I feel so high.

I wonder what you think.  
Sometimes I feel so old.  
I don't know if it's worth it  
When I just do what I'm told.

When I wake up tomorrow,  
Will you still feel the same?  
When I wake up tomorrow,  
Will you have changed?

[Chorus]

I, I still feel the same  
I, I still feel the same  
Won't you?
