

# Busted, That Things You Do

Well I woke up  
So proud to see you lying naked next to me  
And the clothes you wore  
The night before  
Were lying on my bedroom floor, and  
This is how I want it to be  
You know and I want it that way

[Chorus:]

Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl you know it's true  
I love that thing you do

We've seen everything, I've dreamt it all last night  
we did it in a waterfall  
Then you turned around and I could see  
This beautiful simplicity, and  
This is how I want it to be  
You know and I want it that way

[Chorus:]

Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you

Girl you know it's true  
I love that thing you do

I love that thing you do  
I love that thing you do  
I love that thing you do

Cos' I love that thing you do yeah

[Chorus:]

Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl you know it's true  
I love that thing you do

Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl you know it's true  
I love that thing you do

I love that thing you do  
I love that thing you do  
I love that thing you do
