

Buzz Poets, Nasty

I'm almost dead
Somebody lookin' pretty and she's in my bed
Someone call the preacher I'm breakin' down
Angel she be struttin' all over town

[CHORUS]

I wants to do the nasty
I wants to do the nasty
I wants to do the nasty
I wants to do the nasty like this

Comin' a long time
Stick it 'till the bubble pop

Comin' a long time

Lick it like a lollipop

Comin' a long time

Suck it like a lemondrop

Comin' a long time

Lick it like a lollipop

Oh, we flow

Ya dig

The funk makes me fruity and then I'll move your booty

Someone naughty, naughty and I'm turnin' blue

Somebody party, party and they got a clue

What's that sticky, sticky all in her eye

Innocence is nifty but I can't lie

[CHORUS]

Motherf**ker dig this

I'm a nymphomaniac

But no I'm not a whore

The rhymes I throw will burn a hole in the floor

So, be prepared, it'll be time to retire

When you hear my rhymes you'll know the funk is on fire

Let me lick your lips, cunnilingus, cunnilingus

[Lyrics & Music by Tripper]
