

# By A Thread, Fade

Take a chance for me  
I know I can't disguise the way I feel  
Lift the pages I once knew outside lay the ashes alone  
And I was taken by the hand tonight  
And I won't fade into the distance  
Watch the sickness hold the mirror  
The simplest of times I know  
And I force myself through another day  
As we force ourselves through another year  
Fade Away  
I know I can't disguise the way I feel  
And I won't fade into the distance  
I'm setting circles
