

By The Tree, There For Me

When I'm down you are there for me
When I lay my head, you are there beside me
You are there for me when I'm lonely
You are there for me when I'm alone

Chorus:
Humbly I come to you
So gently You speak to me

I can't always hold on to the things of yesterday
Bring me something new
Maybe we can be together
I will always come running back to you

You are holy
You are worthy
Lord you're always faithful to me
I will wait on you Lord
