By The Tree, When I Found You

Some days I think and
Wonder how it all began
The first time I came to understand
Your love was real to me
More real than anything

Chorus:
When I found You
That's when I found You for the very first time
Your glory all around
When I found You
You came into my life and made everyday
Brand new, when I found You

I long to explore the mystery
of leaving it all behind
And find You beyond this crowded life
I know there's got to be more
Won't You bring that day back again

Chorus

Bridge:
Well it's got to be
Awakened in me
And I need to see reality
Come make a way,
Awaken that day in me

Chorus (X2)
