

C.C. Catch, I Can Lose My Heart Tonight (Long)

Take, your chance for paradise
I'm looking in your eyes
Be mine, be mine tonight
Yeah, I'm feeling like a fool
'Cause you still answer me :
Spend the night with me

REFRAIN:

I can lose my heart tonight
If you love me, feel alright
This is just the night for me and you
I can lose my heart tonight
By you lonely deep inside
There's something in the air tonight

I can feel it every where
There's magic in the air
Be mine, be mine tonight
Yeah, I feel so hypnoticed
I feel like paradise
I see heaven in your eyes
Take me in your arms
Hold me close tonight
Take my heart away
Take me to the night
