

# C.C. Catch, Night In Africa

Babe, I cry my tears - leaving me is easy  
Play that game again and break my heart  
Fire in my soul  
If you never need me - I'm nobody's child  
I'll break apart  
Oh, my heart is too young  
If you want just your fun  
Miss you so deep tonight  
Babe, I'm drowning in your eyes

I'm dreaming of a night in Africa  
I'm dreaming - you'll never break my heart

Miss you so tonight - don't believe in diamonds  
Have a love like this - never before  
Never saw the world  
Tell me all the areas.  
What I have to do ? - to get more  
Oh, my heart is too young  
If you want just your fun  
Miss you so deep tonight  
Babe, I'm dying in your eyes

You belong to the night  
Babe you make my day  
Oh I cry my tears  
All over the way
