

C.C. Catch, Summer Kisses

Stop hey man - there's a way
Oh, save me just for a sunny day
Oh, I wanna - Yes, I want your heart
Shoo - Shoo- Shoo
Young hearts are full of pride
And you never see what's deep inside
Ooh, I wanna - Yes, I want to give my heart to you

S-s-summer kisses
A summer in love
S-s-summer kisses
Oh, I'm dreaming off
S-s-summer kisses
Forever in love
S-s-summer kisses
Oh, I need that stuff

Stop hey man - hear me
Give me your love what's gonna be
Oh, I wanna - yes I want you heart
Shoo -Shoo- Shoo
Hey you - my words are true
Do you feel my love - oh like I do
Ooh, I wanna - Yes I wanna, give my heart to you

Summer kisses love
Ooh, my heart is true
S-s-summer love
