

C.C. Catch, Tears Won't Wash Away My Heartache

Oh, I sold my heart to you
Babe, like all dreamers do
Feel the shadows of a heartache
Out of reach and out of touch
Yeah I gave you babe so much
Feel the shadows of a heartache
On a restless world I need my dream
Someone, saved my life
And I know what it means

Tears won't wash away my heartache
Tears won't wash away, tears won't wash away
Tears won't wash away my heartache
Tears won't wash away, tears won't wash away
And I'm losing my dream - I'm praying to you
Davie, oh Davie - I'm dreaming
Davie, oh Davie - believe me
Tears won't wash it away
Oh, don't wash it away
'Cause you get hold on hard baby

Say farewell, don't say goodbye
It's too late for a try
Why can't we live together
Years may come and years may go
Oh, you hurt before you'll grow
In the shadows of a heartache
I'll be afraid I'm losing you
Oh, come save my life, babe
Oh, you're making blue
