## C.C. Catch, Tears Won't Wash Away My Heartac

Oh, I sold my heart to you Babe, like all dreamers do Feel the shadows of a heartache Out of reach and out of touch Yeah I gave you babe so much Feel the shadows of a heartache On a restless world I need my dream Someone, saved my life And I know what it means

Tears won't wash away my heartache Tears won't wash away, tears won't wash away Tears won't wash away my heartache Tears won't wash away, tears won't wash away And I'm losing my dream - I'm praying to you Davie, oh Davie - I'm dreaming Davie, oh Davie - believe me Tears won't wash it away Oh, don't wash it away 'Cause you get hold on hard baby

Say farewell, don't say goodbye It's too late for a try Why can't we live together Years may come and years may go Oh, you hurt before you'll grow In the shadows of a heartache I'll be afraid I'm losing you Oh, come save my life, babe Oh, you're making blue
