

# C-Murder, Get N Paid

Alot of people don't realize  
how us young black businessmen down here in No Limit doing it  
But they do understand we making alot of money

[C-Murder]

I got it made plus I get paid and paid  
You wanted No Limit so I brought the brigade  
I'm true to the game so I'm draped in tats  
The most valuable player because of my stats  
all the Platinum sales because I'm so gifted  
ya I used to slang I even shop lifted  
When I went to jail and went upstate  
I beat a charge cause my paper was straight  
I wanted a truck so I bought me a Nav  
an I wanted some pussy so I paid for the ass  
I got it made so they call me a made nigga  
If rap was dope I guess I'd be a drug dealer  
I got the feds all over my dealy  
You infiltrate my click, really  
Mothafuckers must like to see theyselves get played  
Cause TRU niggaz gettin' paid

[Chorus x6]

We trying to get paid

[Silkk The Shocker]

Now I came thru the door, I said it before  
Last year I'm worth a little something, this year I'm worth more  
I gots to get paid, I gots to have it made  
Nigga street smarts, my game stay sharp just like a blade  
see I'm a be worth something an see if I don't get killed  
I'm trying to be the first nigga out the projects worth more than a mil  
I smash something think about the future so I stash something  
Don't think the money will change me I'm still down to click-click and blast something  
See I gots to get cash but I guess it be in time  
now see you gotta get yours I gotta get mine  
And when I get something for niggaz its the most popular kind  
And when I buy something that's for me nigga its top of the line  
Now nigga on the real I gots to fulfill my own dreams  
Fuck going to the game and trying to own my own team  
Nigga believe I scheme shit to dream shit the paper  
Chasin' tryin' to make mils on the real so stop hating

[Chorus x8]
