

# C-Murder, Interlude

[Soulja Slim]

please baby look in my eye  
look in my eye  
and let me put my dick in your mouth  
dick in your mouth  
girl, please don't you act like your shy  
like your shy  
and let me bust a nut in your eye

please baby look in my eye  
look in my eye  
and let me put my dick in your mouth  
dick in your mouth  
girl, please don't you act like your shy  
like your shy  
and let me bust a nut in your eye
