

# C-side, Boyfriend girlfriend

Lately... I been thinking about  
you going crazy,  
can't go on without you in my life (in my life)  
It's true

What you wanna do  
You can be my boyfriend,  
I can be your girlfriend  
Here there Q-Tip? He whats the deal?  
Had to let you know how i feel,  
had a bunch of girls,  
but I'm keep it real,  
them other chickenheads  
couldn't foot the bill,  
but you,  
it's something about you baby,  
what it is?

I don't know  
Maybe' cause your body just right,  
with a sexy smile  
and you know how to get that dough,  
plus the heart for red just like Bo ('Q')  
Feel me up,  
when I'm feeling low,  
when I'm home or out the road,  
no questions asked,  
you know

it's on as soon as I  
Hit the door (Fa sho!)  
and I need that on my team,  
baby you was made for me,  
Had something on my mind  
and forgot what it was  
and that's because..

Lately... I been thinking about  
you going crazy,  
can't go on without you in my life (in my life)  
It's true

What you wanna do  
You can be my boyfriend,  
I can be your girlfriend  
Oooh Weee!

Look at that there  
call me sunny,  
i need my share  
Love a (spring?)  
redbone, with long hair,  
got her act together like  
A broad with A?  
You the only one for me,  
I'm the only one for You  
Ain't nobody gone take your place,  
take a look at my myspace page,  
she the one number position on my TOP 8,  
Let's go somewhere and chill babygirl fot sexappeal  
I'm show you how I feel  
never met a woman so real

And that's for sure  
I take you to the mall  
on a shopping spree  
spending that dough,  
it ain't tricky if you got it  
and I got this cheese...  
Lately... I been thinking about  
you going crazy,

can't go on without you in my life (in my life)  
It's true  
What you wanna do  
You can be my boyfriend,  
I can be your girlfriend  
See I want us, to be in a relationship,  
are you ready, baby?  
Let's go steady baby,  
I want you  
and if you want me too  
you should be my boyfriend,  
I can be your girlfriend  
(ok, ok)  
Shawty I can't waste no time,  
you know you been on my mind,  
in the morning, when I sleep at night,  
when I work, you there  
and it ain't no lie  
At first I ain't wanna sweat you,  
now i feel like I'm under pressure,  
we was cool as friends  
now what the deal is?  
I don't know but I (?) got to get you (?)  
Lately... I been thinking about  
you going crazy,  
can't go on without you in my life (in my life)  
It's true  
What you wanna do  
You can be my boyfriend,  
I can be your girlfriend  
See I can foot the bill,  
you know I keep it real,  
and when you come up off the road  
you got somewhere to chill  
Make me your lady,  
you'll be my man,  
It's obvious that I should be your girlfriend  
Lately... I been thinking about  
you going crazy,  
can't go on without you in my life (in my life)  
It's true  
What you wanna do  
You can be my boyfriend,
