

# C.Soullove, I'm sorry

It's tearing me apart when I think of you girl  
and all the things we used to have  
it burns my heart just to know where  
you are and who you with  
girl I, am hurting, inside, I need you back in my life, yes I do  
the past is hunting me it won't let me be  
I can't eat or sleep permit?no  
If I had one wish it would be to be with you one more  
I'm sorry for everything I've done, I'm sorry for all the things I said  
I'm sorry, sorry I'm sorry girl  
I didn't want to hurt you girl, I didn't want to see you cry  
sorry for all the agony  
and I'm sorry for everything I've done  
I'm sorry girl girl girl girl girl girl girl girl  
Cause I want you back, I need you back  
Gotta have you back here with me  
cause I can't go on, your love it kept me strong  
Is it too late to compromise? Cause I want you, I need you  
Can't go on cause your love it kept me strong  
say yeah  
I'm sorry for everything I've done, I'm sorry for all the things I said  
I'm sorry, sorry I'm sorry girl  
I didn't want to hurt you girl, I didn't want to see you cry  
sorry for all the agony  
and I'm sorry for everything I've done  
I'm sorry girl
