

# C21, Don't Break It

Dont push it no, dont push it  
The lifeline is your source

Would you believe it if I told you bout something  
Would you lie for the benefit of doubt so you will loose  
You won't feel attractive  
You won't feel accepted  
Why waste it on a sick try

When the tough keeps coming at you, dont fall  
The only thing I really want is just you back in life

Your life doesnt spin around I can see it now  
Your eyes wont get me down I want you back in life

Would you know if you been living on a lie  
Or would you keep walking on a thin line

Dont break it, dont break a lifeline  
You'll find your reasons  
But youre right next to me  
Dont break it, dont break a good sign  
If you go crazy in a mixed up world  
Ill let you off easy  
But breaking it will be a sin

I would die if I didnt see sunlight  
Why would you be the one blocking my sight Im on your side  
You will find me attractive  
You will be accepted now  
It's you back in life
