C21, Don't Break It

Dont push it no, dont push it The lifeline is your source

Would you believe it if I told you bout something Would you lie for the benefit of doubt so you will loose You won't feel attractive You won't feel accepted Why waste it on a sick try

When the tough keeps coming at you, dont fall The only thing I really want is just you back in life

Your life doesnt spin around I can see it now Your eyes wont get me down I want you back in life

Would you know if you been living on a lie Or would you keep walking on a thin line

Dont break it, dont break a lifeline You'll find your reasons But youre right next to me Dont break it, dont break a good sign If you go crazy in a mixed up world Ill let you off easy But breaking it will be a sin

I would die if I didnt see sunlight Why would you be the one blocking my sight Im on your side You will find me attractive You will be accepted now It's you back in life
