

C21, Stay

You know Im gonna make a try
I never wanna let it die
But this aint right
Don't justify

You you're everything I need
But sometimes we just disagree
And this is my way to proceed

Silence cannot breathe on your side
But emptiness is my wound
Cuz Im in pain why cant you see Im down
Being the one just around

Ill stay away till it's over
Cuz you need to realize
Its time for me to go
Please stay away till it's over
And I will clear my thoughts again
Crazy or blind
Ill stay away till it's gone

You you're everything I want
The reason why I wrote this song
Ill be back when words are gone

If silence can't survive on your side
Then loneliness is my pride
When Im in pain why can't you see Im down
Being the one just around

Ill stay..

You have to understand
It's only for a while
You have to understand
This is just my style
