

# Cab Calloway, Dont Know If Im Comin Or Goin

You've got me on the go,  
Running to and fro,  
Looking high and low;  
I don't know if I'm comin' or goin'  
Since I fell for you!

Now 'round about the town,  
Chasing you up and down,  
Tagging you all around;  
I don't know if I'm comin' or goin'  
Since I fell for you!

You're so busy, oh, keeping up with all your love affairs;  
I'm so dizzy, I've got trouble, I'm seeing double!

Just when I think you're through  
Changing as you do,  
You find someone new!  
I don't know if I'm comin' or goin'  
Since I fell for you!
