

Cab Calloway, Moonglow

Like someone that hasn't any country
Like a stranger visiting from Mars
I went around alone, just like a rolling stone
Until I read a message in the stars

It must have been moonglow, 'way up in the blue
It must have been moonglow that led me straight to you
I still hear you saying, "Dear one, hold me fast"
And I start in praying, Oh Lord, please let this last
We seemed to float right through the air
Heavenly songs seemed to come from ev'rywhere
And now when there's moonglow 'way up in the blue
I always remember that moonglow gave me you

It must have been moonglow, 'way up in the blue
It must have been moonglow that led me straight to you
I still hear you saying, "Dear one, hold me fast"
And I start in praying, Oh Lord, please let this last
We seemed to float right through the air
Heavenly songs seemed to come from ev'rywhere
And now when there's moonglow 'way up in the blue
I'll always remember, that moonglow gave me you
