

# Cactus, Cursed

Could today have got any worse  
I've got dog crap in my hair  
And I think I've been cursed

Dog Crap in my hair

I tried to wash it out  
But my showers bust  
I wacked my nose on a chair  
And I think I've been cursed  
Cursed

Chorus:  
Cursed from the devil  
Cursed from the pyramids  
Cursed from a witch  
Life is such a bitch

Repeat Chorus

Such a bitch

(Guitar solo)

Repeat Chorus

My cat pissed in my trainers  
I went out for a run  
I thought I was getting sweaty  
When I knew it wasn't fun  
Was not funny

I locked myself out  
And saw my oven on  
I smashed a window to get in  
My chickens overdone

Repeat Chorus

Lost my ticket to a gig  
Now I'm done 50  
Slipped up in public  
People took the mick

Repeat Chorus x2

Dog crap in my hair  
Showers bust, need to repair  
Wacked my nose on a chair  
Pissed in trainers life's unfair

Repeat Chorus x2
