

Cadaveres De Tortugas, Same Shit

New page - They say it's a new way
Won't change - Rules are all the same
Control - Freedom is a symbol
New fight - Let's get ready to rumble

I don't want the same shit
Without soul
I don't want the same shit
Under control
I don't want the same shit
Without brain
I don't want the same shit
and feel the same pain

Masses - You can be used without a face
F**k this - Don't be a member of the race
Real life - You are all alone
Stand up - Nothing counts but your own
