

# Cadet, Godman

Here's to Him  
My guardian

There He is  
He moves  
Faster than light  
His body holds  
Tremendous might  
His face doth shine  
Ever so bright  
His enemies  
Tremble with fright

Jesus is my superhero  
Once He died for me  
I'm His trusty sidekick we will  
Beat the enemy

It's GodMan

There He is  
He labors day and night  
Somehow  
I'm always in His sight  
Without a doubt  
He'll do what's right  
With any foe  
He'll win the fight

Jesus is my superhero  
Once He died for me  
I'm His trusty sidekick we will  
Beat the enemy

(Surfer guitars and clapping)

Evil's on it's way  
But my Savior's here to save the day

Jesus is my superhero  
Once He died for me  
I'm His trusty sidekick we will  
Beat the enemy  
It's GodMan
