

# Caesars, Oh Yeah?

I talk too loud, too much, too much.  
And i stay up all night and i sleep all day.  
I like to dress up nice in rubber tights, baby,  
you stand and stare when i walk by.

If you don't like what i do,  
well that's just fine 'cuz it's not for you.  
You don't wanna hear what i say.  
I'll keep on screaming it anyway.

I sell my soul to steal it back.  
'cause the rules that you made they're not for me.  
And you never understand what i'm about.  
'cuz i don't twize and i don't look back, yeah.

If you don't like what i do,  
well that's just fine 'cuz it's not for you.  
You don't wanna hear what i say.  
I'll keep on screaming it anyway.
