

# Cage 9, Sweet Nothing

I know what it takes to make it out alive.  
I know what it takes to make it through this life.  
Just take my out-stretched hand  
you'll see that it's not EZ being needy/greedy  
and which one to be.

It's not always easy when you're running away.  
It's not always easy when you're running away.  
It's not always easy when you're running away.  
It's not always easy when you're running away.

Yeah.  
Just take my out-stretched hand  
you'll see that it's not easy being greedy/needy  
who I wanna be.

What happened?

It's not always easy when you're running away.  
It's not always easy when you're running away.  
It's not always easy when you're running away.  
It's not always easy when you're running away.

Sweet nothing, when you're nothing.  
Sweet nothing, ain't that something.  
Sweet nothing, when you're nothing.  
Sweet nothing, make it something.

Yeah.

Chorus

So what? December 31st came and went and nothing happened  
except a couple a' credit card machines in Korea  
but what the hell do we care about that anyway?  
So what?  
Big deal.  
Neigh sayers, evil do-ers.  
Billions spent.  
Whatever.
