

# Cage, Release Me

[Music: Eric Horton / Dave Garcia / Sean Peck]

[Lyrics: Sean Peck]

Everyday everyday we struggle to survive  
Such complicated lives  
Feel the pain can't stand the strain  
We constantly go through  
Only one thing you can do  
Seek separation  
It brings to me expectations

Need escape get away  
Seek shelter from the storm  
Some place safe and warm  
Find the flame the astral plane  
Beyond the things we know  
So damn bad I want to go  
Separation it brings to me  
Revelations

Release me release my soul  
Release me let me go  
Release me release me  
Release me release me let me go

Find the truth seek proof the answer to it all  
Will we rise or fall  
When will it end does it begin and the begin again  
Take me with you won't you friend  
Separation it brings to me  
New sensations

Release me release my soul my soul  
Release me let me go  
Release me release me release me
