

# Cage The Elephant, Goodbye

all my life i read between the lines  
held on too tight  
you know I tired  
but in the end  
it left me paralyzed  
it's all right  
Goodbye /2x

seems like yesterday I was a child  
just a ripple in the folds of time  
I wish you well  
I want to see you smile  
it's all right  
Goodbye /2x

Goodbye /3x  
i won't cry /3x  
lord knows how hard we tired  
Goodbye /3x

so many things I want to say to you  
so many sleeps nights I prayed for you  
my heart's an ashtray and I lost myt mind  
you bring the smokes, I;ve got the time

I want to scream  
I want to laugh  
I want to close my eyes  
I want to hide somewhere that's hard to find  
stop wasting time trying to shape your life  
it's all right  
Goodbye /2x

Goodbye /3x  
i won't cry /3x  
lord knows how hard we tired  
Goodbye /3x
