

Cake, Never, Never Gonna Give You Up

You look so good to me right now...
You really, really look good to me right now...

Whatever, whatever
Girl I'll do,
Forever and forever, ya ya ya ya
I'll see you through
Because I've got to keep you pleased, in every way I can
I'm gonna give you all of me, as much as you can stand
I'll make love to you right now, that's all I want to do
I know you need it girl, and you know I need it too

'Cause, I've found what the world is searching for
Here, right here, my dear, I don't have to look no more
And all my days, I've hoped and I've prayed
For someone just like you to make me feel the way you do
I'm never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Girl I just can't live without you
I'm never ever gonna quit
'Cause quittin just ain't my shtick
Gonna stay right here with you
Gonna do all the things you want me to now

Whatever you want, girl you've got it
And whatever you need,
I don't want to see you without it
That's right...
Because, you've given me much more than words can ever say
And, oh my dear, I'll be right here until my dying day
I don't know just how to say all the things I feel...
I just know that I love you so and it gives me such a thrill

'Cause I've found what the world is searching for
Here, right here, my dear, I don't have to look no more
And all my days, I've hoped and I've prayed
For someone just like you to make me feel the way you do
I'm never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Girl I just can't live without you
I'm never ever gonna quit
'Cause quittin just ain't my shtick
Gonna stay right here with you
Gonna do all the things you want me to now

I'm never gonna give you up
I'm never ever gonna stop
Stop the way I feel about you
Girl I just can't live without you
I'm never ever gonna quit
'Cause quittin just ain't my shtick
Gonna stay right here with you
Gonna do all the things you want me to now
