

Cakes Da Killa, Goodie Goodies

He only want me for my good goodies
He only want me for my goodie goodies
He only want me for my good goodies
He only want me for my goodie goodies

Let's get it straight, swerve up in this nigga
Trying to dig me out in this Honda Civic!
When I'm out with it, the cocky got me...
Hit me up and... a minute
You're trying to smash me like a Harlem... squeezey
Put it in the coop, bless and test me, tease me!
Put that shit on you, nigga, fuck me, eat me
...the bad bitch, treat these niggas hella grizzly!
Make a nigga take a tour, stand right beneath my shit
Like a fizz, don't forget to trim this
Scuba dive, serve for assemblage
and this baby's so good, got the Pope...
All these niggas want ma-ma-m scene
Cause my shit stay ta-ta-ta your scene
See, I bend it and drop it
Before I take it and tuck it...
So come get it!
...can't forget that my shit is that terrific
Had the one hit, these niggas just came with it
And I bust it and open it just like I'm stripping
Bow!

He only want me for my good good
He only want me for my goodie goodies
He only want me for my good good
He only want me for my goodie goodies

Keep the bitch the same color as the front tour
She so sick, lay the pussy up the front tour
Stop the ...we sip it with the one tour
..all the shit that I can't do
And when we'll kick you in, talking about that kung fu
I'm dumb young, but still grown enough to send you
But I'm sick of parling with you on the...
So I'mm dip real thick in my..
Check it! I keep a traitor in a clutch
And I never gave a fuck, so I do what I want
Spitting all up in your ear, put your hand in my butt
Cause my shit come tighter than the dread when she talk
What? But what you really trying to do?
Seen you at the bar looking cute with your crew
And my DM trying to rendez-vous
Trying to see if what you heard about case is true!
What?

He only want me for my good good
He only want me for my goodie goodies
He only want me for my good good
He only want me for my goodie goodies
That's the cover, that's the cover of my goodies goodies
That's the cover, that's the cover of my good good
That's the cover, that's the cover of my goodies goodies
That's the cover, that's the cover of my good good
That's the cover, that's the cover of my goodies goodies
That's the cover, that's the cover of my good good
That's the cover, that's the cover of my goodie goodies

Oh, no time for wasting,
The pics come through, I'm straight... faces

..to the top and I tie them laces
Remove the... or I lose my patience!
Hit me... so I know where to find ya
Pull up in the crib, in the new...
Smelling like sex with a twist of a gun shot
Thing in your lap looking like it's a problem!
Dripping sweat, I'mma need a fucking bucket
Soaking wet my...
Don't beg, cause you can have it if you want it
Don't be greedy, I've got suckers in the oven!

You think you're ready,
You think you're ready for this good, good?
You think you're ready,
I think you're ready for this good, good?
You think you're ready,
Think you're ready for these goodie, goodies
