

Calexico, Luky Dime

Found a dime in the metro line
Funny to see a familiar face
Since you left us long ago
There's never been a trace of luck to guide me
Hoping to see a sign
Or a lucky dime
Searching as i go
Hoping to see a sign
Or a lucky'
Someone told you long ago
All you ever needed to know
No matter how far you drift alone
I'll always be here around'
Hoping to see a sign
Or a lucky dime
