

# Calexico, Luky Dime

Found a dime in the metro line  
Funny to see a familiar face  
Since you left us long ago  
There's never been a trace of luck to guide me  
Hoping to see a sign  
Or a lucky dime  
Searching as i go  
Hoping to see a sign  
Or a lucky'  
Someone told you long ago  
All you ever needed to know  
No matter how far you drift alone  
I'll always be here around'  
Hoping to see a sign  
Or a lucky dime
