

# Calibretto, Bleeding On The Floor

stayin in a hotel not far from here sittin in the lobby when an hills in me ear i turned to look i see a g

What have i done? must have thought i was someone else. what did i do i dont think that i know yo

well now shut up. cuz i know your lying your the one she pointed out. right before i shot her so i kno

What have i done? must have thought i was someone else. what did i do i dont think that i know yo

well everybody dies im no exception to the rule. but it wasnt my time to go, my life was taken by a f
