Why's life

Why's life, why's life so hard  
Why's life, why's life so hard  
Why's life, why's life so hard  
Why's life, why's life

Why's life  
Why's life, why's life so hard  
Why's life, why's life so hard  
Why's life, why's life so hard  
Why's life, why's life so hard  
Why's life

Your life is waiting for so much more  
Your life is waiting for so much more  
Your life is waiting for so much more  
Your life is waiting for so much more
