

# Calla Lily Band, Dream

## Verse 1

As i walked along the sky  
Of my dream you came alive  
And it feels you're made to change  
My whole life  
And i know you will be there  
There for me to make me stare  
And it will be always and  
Forever in my dreams

## Chorus 1:

Dream, it makes me change but not for real  
cause i only see you smiling  
In my dreams, that's the only time  
I make you feel  
What i have for you is real

## Repeat Verse 1:

## Chorus 2:

Come to me and hold me in my dreams  
Let me touch you for a while

And dont let me realize that i am dreaming  
'cause i'll be missing you,  
I'll be missing you...

## Verse 2:

As i ran along the sky  
Full of dreams, hopes and lies  
You just come to make me feel  
That we're supposed to be together 2x  
And i know you will be there  
There for me to make me stare  
And it will be always and  
Forever in my dreams

## Outro:

It's time to come around  
It's time to wake up now  
It's time to come around...

It's time to come around  
It's time to wake up now  
It's time to come around...
