

# Callenish Circle, No Reason

[Music by: Callenish Circle]

[Lyrics by: Ronny Tyssen & Patrick Savelkoul]

Ever heard my suffer  
I wonder why, is this real  
What have you done to me  
For no reason at all

And I feared  
You don't seem  
Just gave up  
Why...do you care

Everything is lost  
All hope is gone  
And I even won't complain  
For this is my way of the cross

And I feared for this to happen  
You do not seem to care  
Just gave up all we had  
Don't you bother  
Don't you fucking care

Do you care

And still I try to forget  
It keeps on running inside my mind  
Alone...
