Calvin Harris, Electro Man

Electro man, Electronic man Electro man, Electronic woman I went outside wearing my device I came back in wearing the same device, as you

Electro man, Electronic man Electro man, Electronic woman I went outside wearing my device I came back in wearing the same device, as you

You don't believe me, but I would go anywhere with you I would go anywhere with you Uh uh I would go anywhere with you I would go anywhere with you

You don't believe me, but I would go anywhere with you I would go anywhere with you Uh uh I would go anywhere with you I would go anywhere with you

Electro man, Electronic man Electro man, Electronic woman I went outside wearing my device I came back in wearing the same device, as you

Electro man, Electronic man Electro man, Electronic woman I went outside wearing my device I came back in wearing the same device, as you
