Calvin Harris, Here 2 China (feat. Dizzee Rascal

Yeah Getting it in from here to china Yo Alright let me just cool this right now quickly

Super trippy riding through the gritty inner city Roll with the committee Handle your business or handle the pity All I see is lots of titties I know bunch of hippie chicks That's ready to show me tricks They doing the splits I'm all up in the mix A choir out the mist I'm taking trips I'm in the Ferrari looking sick I'm in the Ferrari looking slick Letting the engine rip And getting a tire A' grippin' ah slippin' and slidin' Turning the music up I'm vibing now I'm flying Lord strap me if I'm lying I ain't perfect but I'm trying Going super sire and buying Anything that catches my eye Cause I'm a provider getting it in from here to china It's so minor I'm a survivor, never retire I'm a black tiger ready to blaze to the fire, live wire Now I'm rolling through the shires Blazing the green to get me higher Now I'm inspired Putting the pressure on the back tires Making a hasty get away Having a better day in every way Than yesterday I guess there's nothing left to say

Wind in my face Chilling in Versace shades Wearing a fresh pair of gaze Looking like car just been paid Stupid I don't play no games Switching out lanes on these lames Switching out dames simple and plain No I can't be contained Plus I'm raw and untamed I'm so far from mundane Getting ghost is my aim I suggest you do the same Taking a trip out to Spain With my girl Mary Jane And she stays on my brain Like a big gravy train Papparazi on my case Giving chase Cameras flashing in my face All up in my space Gotta pick up the pace Singing Amazing Grace I'm in an amazing place With crazy pape's

I ain't like them other lazy apes I used to blaze the tapes So now I stays hoping for my break Making no mistakes Now I rolling with the breaks But still book time for my original mates So we don't bubble with hate We just get on with it You brothers are constipated And your shit is over rated ...you should save it
