

Calvin Harris, My Way

Why wait to say, but at least I did it my way
Lie way, two faced
But in my heart understand
I made my move and it was all about you
Why feel so far removed

You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way

My way, away, away, away
My way, away, away, away
My way, away, away, away
My way, away, away, away
My way
My way
My way

Why wait to say, but at least I did it my way
Lie way, two faced
But in my heart I understand
I made my move and it was all about you
Why feel so far removed

You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way

My way, away, away, away
My way, away, away, away
My way, away, away, away
My way, away, away, away
My way

You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way
You were the one thing in my way

My way, away, away, away
My way, away, away, away
My way, away, away, away
My way, away, away, away
My way

My way, away, away, away
My way, away, away, away
My way, away, away, away
My way, away, away, away
