

Calvin Harris, Outside (feat. Ellie Goulding)

Look at what you've done
Stand still, fallin' away from me
When it takes so long,
Fire's out, what do you want to be?

I'm holdidn' on,
Myself was never enough for me
Gotta be so strong
There's a power in what you do,
Now, every other day I'll be watching you

Show you what it feels like,
Now I'm on the outside
We did everything right, now I'm on the outside
Show you what it feels like,
Now I'm on the outside
We did everything right, now I'm on the outside

Though you give me no reason
For me to stay close to you,
Tell me what lovers do
How are we still breathing?
It's never for us to choose,
I'll be the strength in you.

I'm holdidn' on (I'm holdidn' on)
Myself was never enough for me
Gotta be so strong
There's a power in what you do,
Now, every other day I'll be watching you

Show you what it feels like,
Now I'm on the outside
We did everything right, now I'm on the outside
Show you what it feels like,
Now I'm on the outside
We did everything right, now I'm on the outside

I'll show you what it feels like,
Now I'm on the outside
I'll show you what it feels like,
Show you what it feels like,
Now I'm on the outside
We did everything right, now I'm on the outside
